By signature below I commit to the following:

1. I have verified and checked that all players on my team are of the certified age provided by the dates on the birth certificate that I have presented to the FSYFL, and that I have not been involved in the exchange, falsification and/or alteration of any of the documents presented to the certification offices of the FSYFL.
2. I have verified and checked that all players on my team are actually playing in the FSYFL tournament under their actual names provided and known to me, and that NONE of my players are called by a different name during practice, pre-game or during the games.
3. I have informed all my players and parents that it is their responsibility to ensure that any documents that they provided to me are indeed accurate and that they have made every effort to verify their accuracy. I have informed the parents and players that if a player has falsified any documentation in any way that the entire team will be disqualified and that the FSYFL will not be held accountable for the disqualification and/or the ramifications for the remaining players loss of participation.
4. All parents have been informed that if a player is found to be playing under an assumed name the entire team will be disqualified.
5. I agree that all my players will be paid in full by the second game of the season. If their fees are unpaid by the start of the second game of the season, I agree that those players that are unpaid will **not** be able to participate in any further games until they are fully paid. I also agree that I am not entitled to transfer payments from one player to another to allow an unpaid player to play. Once a player has paid and participated in a game that payment is no longer transferable or refundable.

Coaches are informed by this document that if in the event any players certification documents are found to be falsified in any way, that the entire team will be disqualified from the tournament.
